Hi everyone,

WOW, what an end to term 3 for everyone at PSC. We witnessed a fantastic School Show Performance last Thursday night and congratulations must go to all of our STARS on the night. Many thanks for all your kind, supportive and encouraging comments we received after the concert. Everyone seems to be very happy with the choice of venue too.

Special thanks to ALL staff who worked tirelessly over the months leading up to the show and to the parents and community members who supported the teachers and students with fantastic enthusiasm.

School Shows can become significant milestones in the development of our students and those

“I never thought I would see my child on stage” comments from parents highlight the importance of these events for our students and our PSC community.

You will notice that this newsletter focusses on the school show with a selection of great photographs of the night. We anticipate having a DVD of the show ready shortly after the holidays.

Our School newsletters are available to view via our Peninsula Specialist College website. Please go to the website and have a look at www.peninsulaspecialist.vic.edu.au

I wish everyone a safe Spring break.

Peter
