Principal Report

Mornington Peninsula Shire is offering a '**Girls' Night in**' for interested females 14 – 18 years of age. Girls will meet new friends, be themselves, hang out with girls, try something new and enjoy free food. First session this Friday 8th June and then every second Friday of every month at 5pm – 7pm at Shed 11, 11 Marine Parade, Hastings. For further information please contact Jackie or Laura at the Youth Services on 5950 1666. www.mpys.com.au

On Tuesday we enjoyed a fantastic 'Biggest Morning Tea' at Peninsula Specialist College. Fantastic food, prepared by our own in house chefs, some light music and good company made for a fantastic occasion. My thanks go to everybody involved in the organisation of the event and also to our college councillors for participating in this whole school event.

May I take this opportunity to thank the school community for their understanding with regards to the school closure on Thursday 7th June due to the Stop Work Action initiated by the Australian Education Union.

The newsletters are also available via our Peninsula Specialist College website. Please go to the website and have a look at www.peninsulaspecialist.vic.edu.au

Have a safe weekend,

Peter

RDA

There have been exciting times at RDA peninsula branch with new facilities, new horses and new awards. M.P Greg Hunt opened a new round yard and fenced arena. 2 students from Peninsula Specialist College, James and Louise, competed at a Special Olympics Victoria event at Melton. They took part in many events and brought home some medals.

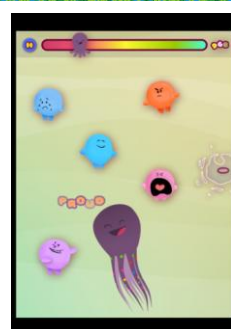

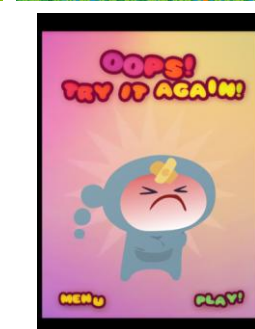

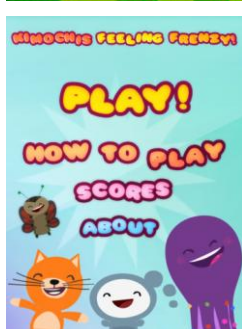

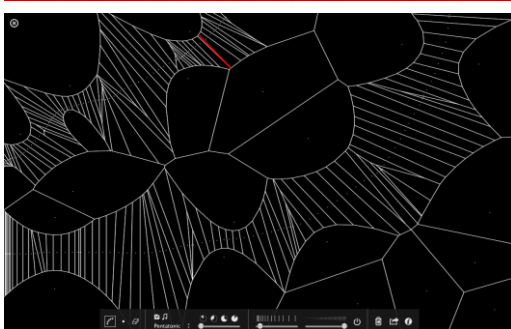

Class 3

Information, Communication & Technology

Our iPads have been very busy this term! With lots of apps to support classroom literacy, numeracy, social and personal development programs, classes have loved using them. Watch this space for new developments!

Australia's BIGGEST MORNING TEA

The Biggest Morning Tea was a huge success with as many donations as there were delicious treats to eat!

Australia's BIGGEST MORNING TEA

Thanks to everybody's efforts, we raised over \$520. Your donation will contribute to vital cancer research and clinical trials, support services for patients, their families and carers, and information and public education campaigns. Special thanks to Therese, Judy A, Sue, Gen, Ian and of course our fantastic team of waiters and chefs!

PLANES, TRAINS AND AUTOMOBILES

Class 12 presents...

Our class has been learning about transport and what better way to learn about a train than to ride one!
We went to Crib Point Station and commuted to Frankston for a picnic. Getting to see real planes at the Tyabb Airfield was fantastic!

Class 5 & 6

On Thursday 24th May class 5 and 6 went to the Cranbourne Botanic Gardens. We learned to throw a boomerang, drank lemon myrtle bush tea and worked as a team to build a magnificent Wilam hut. There was a really cool playground there too! Thanks to Judy for organising such a great outing, and thanks to Helen and Jacque from the Botanic Gardens for sharing their skills and knowledge about the Australian bush with us.

Art Studio

Below: We finished third panel of our Rainbow Values Snake mural.

Below: We explored sculptural Installations we made in our bush land adjacent to P.S.C inspired aboriginal art and culture.

Below: Inspired by Tjanpi desert weavers, we collected grass from our school and created some abstract and figurative sculptures.
