

PRINCIPAL REPORT

Hi everybody,

Parents of children with a developmental delay or a disability, aged 2 to 12 years, are eligible for free parenting support as part of the Stepping Stones Triple P Project. Monash University is running free parenting groups in the Stepping Stones Triple P – Positive Parenting Program for parents and caregivers of children with a developmental delay or disability. Parents will learn skills and strategies to promote child development, teaching new skills, and managing difficult behaviours. If you are interested in participating in this project and in receiving free parenting support, please contact the team via med-steppingstones@monash.edu or 03 9905 0258 / 03 9905 0154. You can also visit the website www.triplep-steppingstones.net.

The Mornington Peninsula Shire is inviting all interested young people to come along to the new Balnarring Skate Park launch. There will be a Skate & BMX competition on Saturday 24th May 2014.

Please remember that Peninsula Specialist College has a Student Free Day on Monday 19th May 2014. Please mark this day in your diary. Two further student free days are planned for term 3 & term 4 with dates to be confirmed.

The newsletters are also available via our Peninsula Specialist College website. Please go to the website and have a look at www.peninsulaspecialist.vic.edu.au

Have a safe weekend

Note to Parents/carers, if you paid school fees in February directly to the School's bank account and have NOT received a receipt. Please contact Annmaree in the general office. Thank you.

Class 2

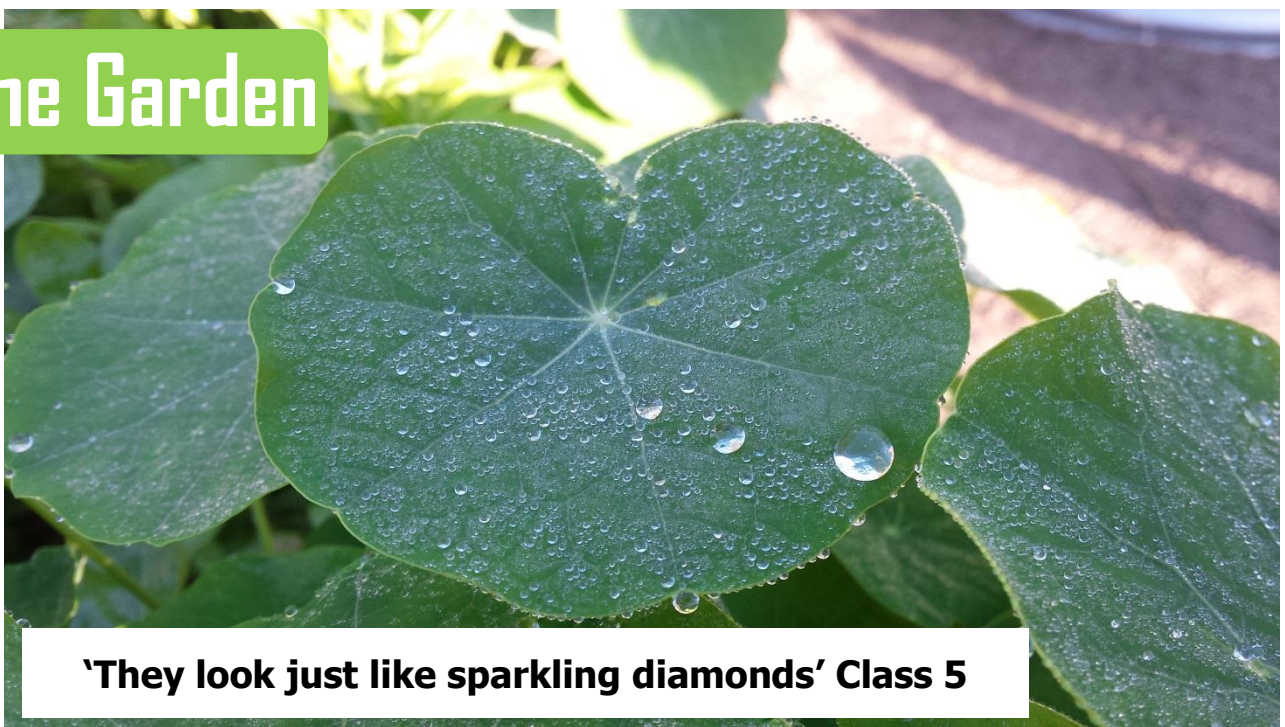

Class 2 had a brilliant Mother's Day Celebration. We hope all the mums were spoilt and had a great Sunday.

T-SHIRT DESIGNS

Don't forget to please send in a light coloured t-shirt, pillow case or singlet to print your designs on!

Work Experience

As the year goes on many of our upper secondary students are undertaking work experience programs. These programs allow students to develop employability skills and learn what it's like to interact with colleagues in businesses throughout our local community.

Since last term, Alice Jamieson has been attending work experience at Masters in Mornington. Her supervisor Kathy says Alice is a welcome addition to the team.

Georgia Flanagan will be working at Camp Manyung in Mt Eliza for a week in June where she will assist primary school students to participate in activities such as the giant swing and tower building.

We also have a group of ten students who will be attending Sages Cottage in Baxter to learn animal husbandry skills and pick up some tips from the onsite horticulturalist.

We look forward to placing more students in our work experience programs as the year goes on.

Work Education

At Shoreham Foreshore we are really practicing our land management skills. There is always a lot to do!
