Welcome back to Peninsula Specialist College for 2013. I extend a special welcome to our new students and their families.

### **AEU Stop Work Action**

On Thursday the 14<sup>th</sup> February 2013 the Australian Education Union has called on its members to stop work for 24 hours. Members of our teaching and support staff are participating in this action and as a consequence we will not be able to run any programs for our students on the day.

Parents of all students are asked to make alternative arrangements for the care and supervision of their child on the day of the stop work action. Subsequently no transport is provided for the day.

### **School Council Elections**

An election is to be conducted for members of the School Council for Peninsula Specialist College. Nomination forms may be obtained from the school and must be lodged by 4pm on Friday 22<sup>nd</sup> February 2013. The ballot will close at 4pm on Friday 1<sup>st</sup> March 2013.

Following the closing of nominations a list of nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows:

Parent member number of positions: 6

DEECD employee member number of positions: 3

The Disabled Surfers Association on the Mornington Peninsula is running disabled surfing events on Saturday February 9 & March 2, 2013, 9am – 1pm at Point Leo Surf Life Saving Club. A free BBQ lunch for all attending is provided. To register your interest in attending, please contact Ashley on 0417362983.

Peninsula Specialist College provides many valuable programs at considerable costs and we ask all parents to make requested additional payments for such programs in a timely fashion.

I would like to remind all parents who drop off and pick up their children at school to sign the students in & out at the front office. The students will make their way to and from the classroom independently or supervised by a staff member. Thank you for your cooperation.
